**MESSAGE FROM THE PRESIDENT OF
THE THAI-ITALIAN CHAMBER OF COMMERCE**

Dear guests and TICC members,

It is an immense honor and pleasure to welcome you all to the Ospitalità italiana awarding ceremony, held on this special evening at the beautiful Gaysorn Urban Resort in the heart of Bangkok.

The Ospitalità italiana project, supported by the Italian government, is a testament to the passion and dedication of Italians around the world to share their culture through the universal language of food.

Tonight's certified Italian restaurants in Thailand have served as ambassadors of Italy, bringing a slice of the Italian way of life to the heart of Thailand. TICC is grateful and proud of their inspirational work to promote Italian culinary culture.

As the President of the Thai-Italian Chamber of Commerce, I am proud to see how this project has flourished and brought our communities closer together. In a world that sometimes seems fraught with division, it is nice to remember that the simple act of sharing a meal can bring people together.

Until next time.

Buon appetito!

The Chamber has various objectives, all of which are aimed not only at the promotion of “Made in Italy” in South East Asia, but also more importantly at the development of mutual cooperation and respect in the business environment, allowing positive economic flows.

Ospitalità italiana is a worldwide project which aims to certify authentic Italian restaurants, pizzerie and gelaterie abroad by following strict requirements set by the **National Institute of Research and Tourism (ISNART)**.

Ospitalità italiana is indeed a project to recognize the Italian hospitality around the world through a certification that recognizes the excellence of Italian cuisine and culinary products.

The project was created with the aim to develop and promote the Italian culinary traditions and top quality food products from Italy. Ospitalità italiana also sets the goal to protect “Made in Italy” products from the threats of copycat and Italian sounding.

The Thai-Italian Chamber of Commerce has been managing the project in Thailand since 2010 with the mission to acknowledge the very best Italian restaurants, pizzerie and gelaterie in Thailand.

Ospitalità italiana, finally, is proud to have the mission to enhance the image of Italian restaurants, pizzerie and gelaterie abroad that guarantee Italian quality standards.
